

Embargoed Release of Fall 2013 Statewide MEAP Results

Statewide results of all fall 2013 assessments will be released to the public and news media, **Friday, February 28, 2014 at 10:00 a.m.** Districts and schools have an opportunity to preview these embargoed state results now.

Michigan Educational Assessment Program (MEAP) and MEAP-Access statewide assessment results can be accessed via the BAA Secure Site. If you have a user ID and password to the BAA Secure Site, you may access, view, or print local or state aggregate reports at this time. Go to <https://baa.state.mi.us/BAASecure/Login.aspx> and select "Reports" at the top of the page and select "Student Test Scores" from drop-down menu, then select the appropriate fall 2013 test cycle. If you do not have access to the BAA Secure Site, please contact your district assessment coordinator for assistance.

The embargo on all fall 2013 assessment results will be lifted at 10:00 a.m. on Friday, and at that time you may freely share and discuss local and state aggregate results with the public, parents, and news media, as you wish.

Remember, all aggregate reports are embargoed from release until Friday, February 28, 2014 at 10:00 a.m. You have been provided advance access to prepare yourself for questions you may receive as a result of the public release. **Disclosure of any of any embargoed local or state aggregate results prior to 10:00 a.m. on Friday, February 28th may result in the elimination of the opportunity for an advance look at state results in the future.**

If you have questions, send an email message to baa@michigan.gov or call 877-560-8378, select option 2.

Best regards,
